

HAMSTEAD MARSHALL PARISH COUNCIL

Hamstead Marshall Parish Council invites all parishioners who wish to have a topic/agenda item placed on a meeting agenda, to contact the Parish Clerk (hmpcClerk@gmail.com) and the chairperson. The agenda is published at least seven working days in advance of the meeting. Once published, the agenda is closed for additional items to be included. That is the regulation. We recommend, at least fifteen working days ahead of any meeting to advise the parish council of your request.

Please note for best practice and governance reasons, there is no 'Any Other Business' listed on the parish council's agendas.

The parish council meets on the third Thursday every other month.

The remaining diary dates for 2026 are September 17th and November 19th, 2026.

Thank you for your support.
